

ATTENTION

DO YOU KNOW?

OVER THE AIR ANALOG TELEVISION IN GARFIELD COUNTY WILL BEGIN TO CEASE OPERATION ON FEBRUARY 17, 2009. HOWEVER, THESE SAME SALT LAKE STATIONS WILL CONTINUE TO BE RECEIVED BY NEW DIGITAL SIGNALS.

FREE HIGH DEFINITION DIGITAL TELEVISION IS NOW AVAILABLE IN YOUR AREA VIA THE COUNTY TV TRANSLATOR NETWORK!

1. THIS NEW TECHNOLOGY MAY EVEN BE USED WITH OLDER TV SETS NOT HAVING THE CAPABILITY OF RECEIVING THE NEW DIGITAL SIGNALS. THIS CAN BE ACCOMPLISHED BY USING A DIGITAL TO ANALOG CONVERTER BOX MUCH AS YOU USE A VCR OR DVD PLAYER ATTACHED TO YOUR TV SET. THESE "SET TOP BOX CONVERTERS" ARE AVAILABLE BY APPLYING ON LINE AT www.dtv2009.gov UP TO TWO COUPONS MAY BE AWARDED FOR EACH HOME WITH A VALUE OF \$40.00 EACH. THE REMAINING PRICE OF \$10.00 PER BOX WILL NEED TO BE PAID BY THE APPLICANT. YOU MAY NEED SOMEONE TO HELP CONNECT THE CONVERTER BOX TO YOUR TV SET.
2. ALL NEW TELEVISION SETS, BUILT AFTER JULY 2007, ARE CAPABLE OF RECEIVING BOTH THE OLDER ANALOG AND THE NEWER DIGITAL SIGNALS, THUS NOT REQUIRING "SET TOP BOX CONVERTERS".
3. IN EITHER CASE, AN OUTSIDE SMALL UHF TV ANTENNA WILL PROVIDE THE BEST RECEPTION OF THESE SIGNALS AND CAN BE PURCHASED FOR ONLY \$25.00 AT A LOCAL STORE.
4. DIGITAL TELEVISION SIGNALS CAN PROVIDE MORE THAN ONE PROGRAM ON A CHANNEL, FOR INSTANCE; CHANNEL 4 HAS TWO PROGRAMS, CHANNEL 5 HAS TWO PROGRAMS, CHANNEL 7 HAS THREE PROGRAMS, AND CHANNEL 11 HAS FOUR PROGRAMS PRODUCING EXTREMELY CLEAR PICTURES ON ALL CHANNELS. **MANY OF THESE PROGRAMS ARE IN TRUE HIGH DEFINITION.**
5. PANGUITCH CITY, AREAS OF ESCALANTE AND BOULDER WHO CAN DIRECTLY RECEIVE SIGNALS FROM BARNEY TOP, ARE NOW ABLE TO HAVE DIGITAL RECEPTION. DTV CHANNELS WILL BE AVAILABLE TO THE REMAINING GARFIELD COMMUNITIES IN THE NEAR FUTURE.
